Zetor goodies from Finland!

Some fine components for Zetor tractors are available from OY Moto-Check AB of Finland, who have 30 years' experience of providing parts such as Zetor 25 cylinder heads, lamps and engine components like those illustrated here.

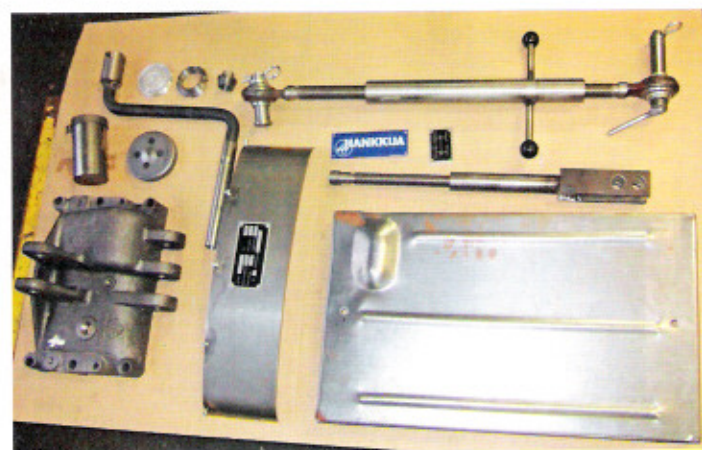

They can be contacted by phone on +358 6 2252212; by fax on +358 6 2252190; or by email at moto.check@multi.fi

The Zetor 25 cylinder head, exhaust silencer, exhaust flange and water pump pipes seen here are all available from Moto-Check.

Zetor 25 and Zetor Super rear lamps, with holders and rear reflectors, are also among the Finnish goodies.

Another group of Zetor components available from Moto-Check include a hydraulic lift cover, battery box cover, filler cap, pto shaft guard, factory emblem, gearing diagram, oil plug, upper link, starting crank, right-hand strut and strut screw.
